## ST JOSEPH'S COLLEGE

### Travel Information

St Joseph's College operates its own in-house, transport scheme with a fleet of College minibuses and dedicated drivers. All of whom are employed by the College, are fully trained and have first-aid training. This bespoke service offers parents peace of mind, particularly for our younger Prep School passengers.

#### Routes

The routes and pick-up times are listed in this document however, timings are subject to traffic conditions. In addition, if travelling by train, we offer a complimentary shuttle service to and from Ipswich Railway Station, subject to availability, for both mornings and afternoons – please telephone the College's Transport Department for further details.

#### Booking

Please find a full timetable, current price list (price given is for the furthest stop on route) and booking form in this booklet. For any other enquiries about our transport service, please contact the College's Transport Department via [transport@stjos.co.uk](mailto:transport@stjos.co.uk).

This is a driver-only service; there are no additional staff to supervise students. Thus, students are expected to conform to the Code of Conduct, as outlined below. By making a booking to use a College bus it will be assumed that parents and students clearly understand the expectations of the student when using this service. The College reserves the right to withdraw the service in the event of repeated poor behaviour.

There are limited spaces available on our services and places are issued on a first-come, first-served basis. Temporary or one-off journeys may be available in exceptional circumstances with the prior agreement of the College and, if space allows. **Charges are based on Monday-Friday inclusive throughout the term and are levied termly to a parent's fee account.**

**Please note**, Monday to Thursday in the afternoon buses normally depart at 5.00pm after the College's Development Hour however, at on a Friday and at the end of each half-term departure is at 4.00pm. The shuttle bus to the train station departs at 3.45pm and 4.45pm.

As traffic flow can have a significant bearing on timings, each student should be at their stop five minutes before the stated departure time as drivers are unfortunately unable to wait.

#### Age Restrictions

There is no minimum age to use the College's transport service. However, students must be independent, including fitting of seat belts and booster seats (if required). Where there is a legal requirement for a child to use a booster seat, this must be provided by the parents and will be stored by the College during the day. Booster seats cannot be left on a bus overnight. The College reserves the right to withdraw use of a service if it feels that a student is not able to manage independently on a College minibus.

#### Pick-Up Procedure

Please ensure your child is at the pick-up point in the morning in good time (five minutes before the designated departure time), as the bus will not wait for late arrivals. Several of the stopping points, though safe for a short halt, would cause serious inconvenience to other road users if the bus waited for more than the minimum time. **In the event of a student not being at the designated stop, the driver will continue on route and the student will not be collected that day.**

## ST JOSEPH'S COLLEGE

### Drop-Off Procedure

Senior School students will be dropped at the designated stop and allowed to walk home, or wait for a parent unsupervised. Prep School pupils will only be dropped if there is a parent or nominated adult to meet them. In the event that a Prep School child is not met the driver will continue on his/her journey and attempt to drop the child on the return. If there is still no one to meet the bus, the driver will return the child to the College and supervise them. **This may result in an additional charge being incurred.** Parents will be given their driver's contact details to be used in the event of an emergency.

### Important Notice to Parents

When using any of the College bus services offered, it is the parent's responsibility to ensure that their child is safe and secure in their transit between pick-up/drop off points and home.

## ST JOSEPH'S COLLEGE

### GENERAL TERMS AND CONDITIONS FOR THE IN-HOUSE BUS TRANSPORT SERVICE TO AND FROM ST JOSEPH'S COLLEGE

1. **Background** St Joseph's College runs this bespoke in-house service to enable parents requiring assistance in getting their children to and from school. The service is run on a day-to-day basis by the Transport Supervisor. A list of the current bus routes is enclosed.
2. **Financial Policy** The service, including overheads, is paid for by those parents using the service and is subsidised by the College. Charges will be collected termly via the College billing system. In the event that a child does not use the place for a day or period of days, no refund can be given.
3. **Timetable** The morning timetable is designed to allow the student to arrive at the College in good time for the start of the working school day. Normally students arrive on time, but given the level of traffic congestion in the area, it is not possible to guarantee this will always happen. Parents should take this into account when their child has an early start for a public examination.
4. **Booking and Allocation of Places** Parents wishing to use the service must complete/sign a Booking Form and Parents and their child/ren must complete/sign the Bus Passenger Code of Conduct. Once a place is allocated it will remain with the student unless:
  - a. The place is withdrawn in accordance with Paragraph 7
  - b. Notice is given to cease using the service in accordance with Paragraph 12
  - c. Demand for the particular route falls to such a point that it is no longer economically viable. In that case a place on an alternative service will be offered, if feasible.
5. **Service** It is the objective of the service to provide a place for every student for whom a booking form has been received and who resides within the catchment area. Wherever possible this will be on the route requested by the parent. Where this is not possible, the student will be placed on a waiting list and allocated a seat on the preferred route as soon as a place becomes available. Temporary alternative arrangements may be offered.
6. **Pick-Up and Drop-Off Points** The pick-up and drop-off points will be notified by the College to all parents who use the service. Bus drivers are only permitted to stop at these points and are expressly forbidden from deviating from this schedule. It is the responsibility of parents to ensure their child arrives at the pick-up point in good time and that they are adequately supervised until the bus arrives. Morning and afternoon arrangements must take account of delays caused by traffic congestion.
7. **Supervision on Buses** Whilst the College bus service is run by its own minibuss drivers, there are no supervisory staff on the buses and it is to the credit of the students that instances of poor discipline are rare. Nevertheless, bus drivers have instructions to report all such instances and the College treats reports of this nature in a very serious manner. Normally, one warning will be given and any repeated occurrence may lead to the student's place being withdrawn temporarily or permanently without refund. Where the incident is of a very serious nature, the withdrawal will be immediate.
8. **Safety in the mornings** Students are dropped off on campus. When on a minibus your child must remain seated at all times and use the safety belt provided. Parents are asked to impress upon their children the importance of using the seatbelt.

## ST JOSEPH'S COLLEGE

9. **Departure** In the afternoon buses depart promptly from the College and it is important your child appreciates the need to go straight to the appointed bus park at the end of the school day.
10. **Change to Routes etc.** In order to run a cost effective and punctual service, the College may need from time-to-time, to alter the bus arrangements. We must therefore reserve the right to alter routes, pick up points, times and use external bus companies. We will endeavour to keep changes to a minimum and provide as much warning as the circumstances allow.
11. **Visitors** Where your child is hosting a visitor at their school, e.g. overseas exchange student, or wishes to take a friend home, the parent must first contact the Transport Department and check there is space available on the bus.
12. **Notice** The notice period is one term, in line with the Parent Terms and Conditions. The notice must be in writing and received by the Operations Manager by 12.00pm on the first day of the new term. Notice is not required where the student is leaving at the end of the Year 13 (Upper Sixth Form year).
13. **Termly Charge** The termly charge will normally remain the same for the whole of the academic year however, we do reserve the right to make changes in-year and pass on increased costs above that allowed for in the business plan. The charge for the next academic year will be notified to parents by no later than 31 March annually.
14. **Emergencies** In the event of any emergency, e.g. minibus breakdown, the Transport Supervisor will endeavour to establish the nature of the problem and pass the information to parents.
